

IN THE SPECIFICATION:

On Page 14:

In Paragraph 3, at Line 1 thereof:

Following "seal 66," insert the following the phrase:

--and a circumferential integral skirt 67--.

In Paragraph 3, at Line 2 thereof:

Preceding the term "fluid" insert the term --substantially--.

On Page 16:

In Paragraph 1, at Line 8:

Following "rod 52", delete the period in favor of a comma, and add the following phrase:

--causing skirt 67 of piston seal to expand radially against walls of said housing 56.--

In Paragraph 2, at Line 2 thereof:

Insert a comma after the term "thereof"; and

At Line 3 thereof:

Following the term "interval" insert the term --of--; and

In Line 9 thereof:

Following "Fig. 4", delete the period in favor of a comma, and add the following phrase.

--in which skirt 67 remains flush with the walls of housing 56, thereby assuring high pressure within said housing during the Fig. 4 phase of the engine stroke.--

On Page 18, in Paragraph 1:

At Line 6 thereof, insert the following sentence:

--at this point, skirt 67 of seal 66 is not sealed against the wall of housing 56, thereby allowing air to leak between said skirt and walls of housing 56.--
